The sites to create industrial parks on have been selected in Kursk, Soltsevo and Poniry districts.
The area of the first stage (2015) – 102 ha. Can be increased by 80 ha and more

The industrial park is situated in the Kursk district of the Kursk region, 5 kilometers away from the city Kursk

There is a highway Kursk – Shchigry – Kastornoe on the border of the site with a straight access to the federal highway M2 Crimea and the highway A144/E38 Kursk – Voronezh - Borisoglebsk, going straight to Ukraine and Saratov

There is a Voronezh - Kiev railway close to the site, as well as the Nozdrachevo sorting center and a freight station Kursk

There is also the Kursk airport close to the land plot with regular flights to Moscow and Saint Petersburg
